

Our Commitment

We are committed to reducing the cost of the school day and ensuring that every child can fully participate in school life. Our staff understand the challenges that financial pressures can create for families and respond sensitively to concerns. We work closely with families to provide support where needed and to ensure that no child is disadvantaged due to financial circumstances.

School Uniform

Our school uniform consists of a sky-blue polo shirt and a navy school jumper or cardigan. Non-branded items are welcome. All ELC children are provided with a school tie.

- Any shorts and T-shirt are suitable for PE. All P7 pupils receive a school tie for their transition to high school. We also operate a school uniform bank, which families can access throughout the year. Information about this is regularly shared in newsletters.

Travel to School

Most children do not require transport to attend school. However, if travel arrangements are creating difficulties, we work with families on an individual basis to help ensure children can attend school regularly and on time.

Learning Resources

All classroom and learning resources, including digital learning tools and other materials, are provided free of charge.

School Trips and Experiences

We aim to make educational visits and experiences accessible to all children. Costs are heavily subsidised by the school wherever possible, and families are given advance notice of any planned activities.

Food and Snacks

We provide a free breakfast club each morning. All children in P1-P5 are entitled to free school meals.

- Our cashless payment system helps ensure confidentiality for children receiving free school meals in P6 and P7. Healthy snack options are available for any child who may need one during the school day.

Clubs and Wider Achievement

We offer a range of clubs as part of our wider curriculum. Where possible, these activities are provided free of charge. We regularly monitor participation to ensure that all children have equal opportunities to take part and enjoy these experiences

.

Home Learning

Children in P1-P3 have access to Seesaw, while children in P4-P7 use Microsoft Teams to support learning at home. Staff work in partnership with families to ensure home learning is appropriate, manageable and tailored to children's needs.

School Events

Our school events, including family learning opportunities and end-of-year sports and fun days, are free of charge. Our supportive PTA also organises a range of inclusive events that help fundraise to lower the cost of other things throughout the year.
